

CARRIAGE DOWNS ARCHITECTURAL REVIEW SUBMISSION FORM

NAME:

ADDRESS:

PHONE:

DATE:

1. Describe the proposed home improvement/project.
2. In the case of an addition to your home, what type of materials will be used? For example, brick, stone, etc.
3. In the case of other projects (fencing, patio, etc.) what materials will be utilized?
4. Is this improvement to be self-performed or do you have a contractor?
5. Are you aware of all permits which will be involved?
6. What is the proposed start and completion date?
7. Please include a drawing of the improvement/project with this submittal. This drawing should be to scale and show all relevant dimensions and property setbacks. It is highly recommended that a more complex project involve a professional architect/designer.

This submittal and all relevant drawings should be sent to:

Scott Rinehart
5900 Kintyre Court

Depending on the volume of projects to be reviewed, the Architectural Committee meets once a month to review requests. You will be notified of the meeting date so that you can appear before the Committee in order to answer any questions which might be raised. Your appearance is not required, but it will expedite the process.
